

IngentaConnect Premium

Save time, money & administrative resource

Upgrade to an enhanced set of services with IngentaConnect Premium, providing a comprehensive suite of tools at a cost-effective price to assist in managing your online library platform.

The premium package incorporates all the features of the free service, plus elements of Ingenta's InTouch email alerting, customised banner-branding, advanced Flash statistics, and enhanced searching and subscription activation.

IngentaConnect Premium offers you:

Customised library branding

Display your logo, add your own text to the homepage, select banner and text colour to match your organisation. Let your researchers know that the resources and services on IngentaConnect are made available to them courtesy of your library.

Enhanced subscription activation management

Ingenta works with the worlds leading subscription agents. Through IngentaConnect Premium simply tell us who your agent is, and we will load your subscriptions directly onto IngentaConnect.

Enhanced searching

Be confident that your researcher's search results will be fruitful and free with a feature that allows them to limit searches to subscribed content only.

Advanced COUNTER statistics including:

Gain more detailed usage reports with extra information such as usage by day of the week, by hour or by a specific series of dates. Choose to view the data via a dynamic Flash interface enabling real-time manipulation and graphical results, or receive a .csv report emailed direct to your desktop.

Introductory email alerting license

Keep up to date with new issue alerts and keyword search alerts across 30,000 publications. The introductory licence allows unlimited TOC alerts and Keyword search alerts for up to 20 users.

Premium customer service

Enjoy unlimited email and freephone access to the customer service team.

IngentaConnect Premium is available at an all-inclusive price of \$495/£280.
