Today’s researchers and information specialists want online access to the facts they need – as quickly as possible.

Ingenta Connect’s document delivery package is an affordable solution that enables you to control your budget yet still allow your staff, customers, and users to access a comprehensive collection of content online.

- Provide timely access to non-subscribed articles with mediated or non-mediated purchasing
- Integrate online and offline collections and prevent duplicate purchasing of content licensed elsewhere
- Pay by PayPal, credit card or payment account
- Purchase single articles in one click or complete multiple transactions at once

Ingenta Connect: Document Delivery

When times are tough and budgets are tight, ingentaconnect's document delivery service allows you to control spend by holding the reigns of your subscription within your institution.

By limiting usage, and therefore spending by your users, ingentaconnect allows you to control the rate at which your library funds are utilized. Please ask one of our team for further details.

**Benefits**

- Freely access abstracts of 2.5 million articles
- Activate full-text access to subscribed titles at no cost
- Pay only for non-subscribed articles that your library retrieves
- Immediately download full text
- Upload holdings data or configure link server to block and re-route access to content held in other collections
“We know we can rely on Ingenta’s staff to deliver excellent service, and we trust the Ingenta Connect platform to perform well and provide solid functionality to our users.”
